

DUCK HUNTING SEASON NEAR

SEPTEMBER 1 HUNTERS MAY
BEGIN SHOOTING WATER-
FOWL—WHAT LAW SAYS
REGARDING IT.

September 1 begins the open season for water fowl, and the noise of the sportsman's gun will soon be heard in Keweenaw county. Following is the law regarding the shooting of water fowl:

"No person shall injure, kill or destroy, or attempt to injure, kill or destroy, by any means whatever, any kind of water fowl, save only from September 1 each year to January 1 of the year following, both inclusive, and then only from one-half hour before sunrise until one hour after sunset of each day. Provided, however, that in addition to the open season for wild fowl shooting, hereinafter in this section established, it shall be lawful to hunt and kill bluebirds, canvasbacks, redheads, pigeons, pintails, whistlers, spoonbills, butterbills and snipe, between the second day of March and the twenty-fifth day of April, both inclusive in each year; and provided further, that it shall be lawful to hunt and kill wild geese brant and sawbill ducks between the first day of September in each year, and the first day of January in the year following, and from the second day of March to the twenty-fifth of April.

Restrictions Are Made.

"No person or persons shall hunt, pursue, worry or kill any wild water fowl by any means whatever, during such time, as said person or persons are upon any floating device or contrivance, propelled by or using any motor power, steam, gas, naphtha, oil, gasoline or electricity, or when upon any sailboat nor shall any person or persons make use of any swivel or punt gun for killing any of the wild fowl, or make use of any battery, sinkboat or similar device whatever, save only a gun of not greater size than ten-gauge, such gun to be held in the hand at the time of firing, and it shall be unlawful for any person to kill in any one day more than 25 game fowl or birds mentioned in this section, and it shall be unlawful for any person to have at any time in his possession or in the possession of any person, firm or corporation for him more than 75 such game, fowl or birds."

"FLOWER OF THE RANCH" PRESENTED AT THEATRE

"The Flower of the Ranch," the second production of the present theatrical season was presented to a crowded house at the Calumet theatre last evening and made a good impression. The play was similar in many respects to "The Time, the Place and the Girl," "The Girl Question," and other musical successes which have been presented at the local theatre. The company, though not as large as those which have appeared here in some shows of a like nature, was well-balanced and handled the various parts in an able manner.

Jess Harris, in the role of Skivers, a tenderfoot, provided plenty of amusement, and was ably assisted by little Miss Nellie Watters as the "Flower," Mabel de Nordendorf, as Margaret Merron, the school marm, John E. Frank as Jack Parmour, owner of the Big Horn ranch, Chester Gates as Dick Spaulding, a friend of Parmour's and other members of the company. The chorus was well drilled and attractively costumed and the special scenery contributed to the success of the production. The music was new and catchy.

AT ELECTRIC PARK.

The program at Electric Park this week will be as follows:
Thursday—Free dance.
Friday—The Was-Was-Wee-Wee club party.

Many private parties will be held every day of the week. The Sunday band concert program will be announced in a day or two.

Fall term begins August 29, Laurium Commercial School. 253

It Is Just About Time

The people of Houghton County took stock of their condition. We live in a community where money is more plentiful, hence more easy to get, than in almost any other place in the world. Once every month a million in cash is circulated among us. Everybody gets some of it and we should have plenty of ready money. Instead, almost everybody claims to be "hard up." Many of us are in debt and some of us cannot pay. We have been acting like a bunch of drunken sailors. We have spent our money for things we did not need; we have lost it in the stock market, and wasted it in all kinds of reckless living. We are indebted to the butcher, the grocer and the dry-goods merchant. What can we do? There is a sure remedy for our financial ills.

To Clean Chicago's Dirtiest Ward

Miss Anna E. Murphy, who is to draw a salary of \$2,200 a year as ward superintendent of streets.

Chicago, Ill., Aug. 24.—Another woman housekeeper to help in keeping the city clean is to be appointed ward superintendent just as soon as there is a vacancy, and she promises to do a better job than the men.

The new official-to-be is Miss Anna E. Murphy, 965 Windsor avenue, a pretty young woman now employed as timekeeper and clerk in the water-pipe extension office.

The commissioner of public works announced recently that as soon as there would be a vacancy Miss Murphy would get a position, as she heads the eligible list in the civil service office. The position pays \$2,200 a year.

Miss Murphy is enthusiastic over the prospect of looking after Chicago's street and alley cleaning and hopes to equal the record achieved by Mrs. Kammagene A. Paul, Chicago's only woman ward superintendent.

"I think women are more fitted for such a position than men," she declared. "It is simply a case of municipal housekeeping, and a woman with executive ability can do the work."

"Don't you dread the task of bossing gangs of laborers?"

"Not a bit. I have never had any trouble in managing men, because I impress them with the idea that we are working in a common cause for the city. When I was with the street department I occasionally acted as ward superintendent in the absence of one of the men, and got along splendidly."

Miss Murphy is a young woman, suffragist, and if she had a chance would vote at every election. She is a pronounced blonde and is expected to make a sensation among the Italian street workers when she appears among them dressed in a dainty white waist, black skirt and picture hat.

NEWS from the FRATERNAL SOCIETIES

GRAND MASTER COBURN COMING

HEAD OF ODD FELLOW ORDER
IN MICHIGAN TO INSTITUTE
NEW LODGE AT BARAGA
ON SATURDAY.

Grand Master Arthur M. Coburn of Detroit, will spend a few days visiting the copper country lodges of the L. O. O. F. next week. He will be the guest of the members of Calumet lodge, No. 124, at the regular meeting next Tuesday evening, August 30, and will leave for Marquette on Wednesday morning. Special entertainment will be provided for the Grand Master on the occasion of his visit to the Calumet lodge, and the degree team will exemplify some of the degrees. Four candidates were initiated at the regular meeting held last evening and five candidates will receive the second degree next week.

It was decided to send the degree team to Baraga on Saturday evening to assist in instituting the new branch of the order there. A large number of the members of the lodge will also go to Baraga on this occasion, as will the members of Hecla lodge, and the degree team of that lodge. It is likely that both degree teams will confer the degree. Grand Master Coburn will attend the ceremonies connected with the instituting of the new branch of the order at Baraga and it is likely that the affair will prove pleasant.

The local Odd Fellows have chartered

a special train which will leave Calumet at 5:45 p. m. over the Mineral Range tracks, and the members of the party will return on the regular train, Sunday morning.

Wage War on Tuberculosis.

Detroit was chosen as the place for next year's national convention of the Knights of Columbus, and the twenty-ninth annual gathering will open there on the first Tuesday in August, 1911.

At the closing session of this year's meeting at Montreal the convention went on record in favor of the general movement to stamp out consumption. The decision was arrived at after a lengthy discussion of a proposition to establish a tuberculosis sanatorium in Arizona. This latter proposition was defeated, but it was decided that a committee of three physicians, to be named by the Supreme Knight, would decide on a plan to assist the world-wide fight against the disease.

Higher education for Catholics was also discussed, with the result that the convention decided to have a committee appointed to investigate and collect data looking to the establishment of institutions of technical education for Catholics in every diocese in the United States.

Court Robin Hood Picnic.

Members of Court Robin Hood, A. O. F., will hold their annual picnic at the Crestview park on Saturday of this week, August 27. The trip will be made over the Keweenaw Central road, leaving the Copper Range depot in Red Jacket at 9 a. m., and Laurium at 9:10 a. m. Returning, trains will leave Crestview at 5 and 7:30 p. m. A number of athletic sports have been arranged for at this popular summer resort, which will include a tug-of-war, for which several entries are expected. One of the features of the picnic between H. E. Lean and Isiah Richards, two of the members of the order.

Delegates to Convention.

Mike Klobuchar and son John, of Seventh street, Red Jacket, left yesterday afternoon for Denver, Colo., where Mr. Klobuchar goes as a delegate and officer to attend the Slovenian Catholic union convention, to be held in that city the week opening September 6. John D. Puhke, Joe Botha and Mike Sunich, of this city, also will attend, leaving Calumet early next week.

Eagles' Temple Project.

At a meeting of the Calumet Aerle, F. O. E. held on Monday evening, a partial report was received from the committee which has charge of the plans for the proposed new temple. The committee reported that pledges had been received for from \$4,500 to \$5,000. It was practically decided by the lodge however, that the site under consideration was unsatisfactory and the committee was given further time to find a new site and to pursue the work of raising funds for the proposed new building.

NEW CLUB HOUSE AT TWIN LAKES

CLUB IS BEING FORMED IN CALUMET FOR PURPOSE OF ERECTING LODGE AT LAKE ROWLAND.

A club is being formed in Calumet for the purpose of building a club house at Twin Lakes on the Copper Range road. It is to be located on the shores of Lake Rowland, and when completed will be one of the finest club houses in the upper peninsula.

The club house is to be built of logs, and will have all the latest club house features. A contract has been awarded to Robert Hall to clear the site of trees and brush and when this is done the contract for the erection of the club house will be let. A party of local miners returned from the Twin Lakes recently, and were much impressed with the beauties of the place as a fishing and hunting resort. It is easily accessible over the Copper Range road.

The membership in the club that is being organized will be limited and confined exclusively to members of the Calumet lodge of Elks.

Lake Rowland abounds with bass, and several catches have been made there this summer, some of the bass averaging from 2 to 4½ pounds in weight. The lake is rapidly becoming popular with resorters. A first-class hotel is located at one end of Lake Rowland, within five minutes' walk from the Copper Range railroad depot. Mr. Whitall of the Winona store has a beautiful summer home there, and boat houses for his launch and row boats. Robert Hall, of this city, also has a summer home with boat houses there, and Mr. Albright has erected boat houses at the lake.

Ben Barry of Houghton, has built a beautiful summer cottage there calling it the Lone Pine cabin. It is located on an island, and cost several thousand dollars. James Wiggins, of this city, has a summer home there, and other residents of the copper country have secured sites at Twin Lakes with a view to building next year.

Trains leave Calumet and the Portage towns daily morning and evening for the Twin Lakes district, and it is but a short distance from business to pleasure. It is this feature that makes Twin Lakes popular.

TEDDY URGES DEVELOPMENT

Continued from page one.

gained, not by going back, but by going forward. We cannot recreate what is dead; we cannot stop the march of events; but we can direct this march, and out of the new conditions develop something better than the past knew. I hope that things will so shape themselves that the farmer can have a great career and yet end his life as a farmer; so that the city men will look forward to living in the country rather than the country man to living in the city.

Should Make Country Attractive.

"Country life should be as attractive as city life, and the country people should insist upon having their full representatives when it comes to dealing with all great public questions. In other words, country folks should demand that they work on equal terms with city folks in all such matters. They should have their share in the memberships of commissions and councils; in short, of all the organized bodies for laying plans for great enterprises affecting all the people. I am glad to see on such bodies the names that represent financial interests, but those interests should not have the right-of-way, and in all enterprises and movements in which the social condition of the country is involved, the agricultural country—the open country—should be as well represented as the city. The man of the open country is apt to have certain qualifications which the city man has lost. These qualities offset those which the city man has and he himself has not. The two should be put on equal terms, and the country talent be given the same opportunities as the city talent to express itself and to contribute to the welfare of the world in which we live.

Must Think of Farmer's Wife.

"Above all, the conditions of farm life must always be shaped with a view to the welfare of the farmer's wife and the farm laborer's wife, quite as much as to the welfare of the farmer and farm laborer. To have the woman a mere drudge is at least as bad as to have the man a mere drudge. It is every whit as important to introduce new machines to economize her labor within the house, as it is to introduce machinery to increase the effectiveness of his labor outside the house. I haven't the slightest sympathy with any movement which looks to excusing men and women for the non-performance of duty and fixes attention only on rights and not on duties. The woman who shirks her duty as housewife, as mother, is a contemptible creature; just as the corresponding man, who shirks his duty as a man, for the mother is the real Atlas, who bears aloft in her strong and tender arms the destiny of the world. She deserves honor and consideration such as no man should receive. She forfeits all claim to

LAURIUM TWO DAYS RACES AT LAURIUM PARK

FINE STRING OF HORSES ALREADY ENTERED FOR EVENTS
NEXT WEDNESDAY AND THURSDAY.

The Laurium Park association has made arrangements to hold a two days' racing matinee at the Laurium driving park next Wednesday and Thursday afternoons, August 31 and September 1. A fine string of horses has already been entered for the events, and more entries are expected.

Next Wednesday afternoon there will be a 2:20 pacing event, for a purse of \$250, while on Thursday afternoon a free-for-all has been arranged, the purse for this event being \$300. These purses are of sufficient size to warrant attracting some of the best horses in the northwest.

The track and stables are to be put in the best possible condition at once. The park is acknowledged to be one of the best in the state.

The association is also making arrangements to hold other racing matinees. Joe Hinnard, the local horseman, at present touring the northwest circuit with a string of local horses, will return shortly and bring with him a number of outside animals entirely new to this district.

The horses already entered for the events next Wednesday and Thursday are for the most part strangers to the local track, and on this account deeper interest is assured among the sport-loving public of the community.

The following are the entries so far for the 2:20 pace and free-for-all:

2:20 pace, purse \$250—Minnie R. owned by W. Robbins, Rhinelander, Wis.; Skiddoo, owned by Thomas Kerr, Grand Rapids, Minn.; Artoletta owned by Louis Saam, Hancock; Donald T. owned by W. Selden, Superior, Wis.; Lady Arkwood, owned by A. Hogganson of Calumet; Kittie D. owned by Scanlon Bros., of Marble, Minn.

Free-for-all, purse \$300, Thursday, Sept. 1—Prince Hal, record of 2:06½, owned by W. Bogley of Bemidji, Minn.; Happy Holligan, record 2:11½, owned by H. Zant, Superior, Wis.; General Woodland, record 2:12½, owned by William Parks of Lake Linden; Sam Treager, record 2:13½, owned by Sam Payne of Hancock; Better Promise, record, 2:18½, owned by H. Hughes, Grand Rapids, Minn.

MEMBERSHIP CONTEST.

The members of the St. Bernard's Court of the Catholic Order of Foresters are preparing to begin a membership contest to open on September 1, to continue until December 1. The contest will be state-wide, under the auspices of the state court of the order, which offers \$2 for every new member secured.

This honor and consideration if she shirks her duties. But the average American woman does not shirk them; and it is a matter of the highest obligation for us to see that they are performed under conditions which make for her welfare and happiness and for the welfare and happiness of the children she brings into the world."

SALVATION ARMY PICNIC

The annual picnic of the Calumet Salvation Army corps will be held on Saturday at the Portage ship canal. A special train on the Mineral Range will leave Calumet at 5 o'clock carrying the excursionists, and from Hancock the barge Pilgrim will take the picnicers to the canal. The Salvation Army band, which now has more members than at any other time in its history, will accompany the excursionists, and it is expected, a drill will be given by the members of the life saving crew at the canal. A large crowd is expected.

Throw Out the Line

Give the Kidneys Help and Many Calumet People Will Be Happier.

"Throw Out the Life Line!"

The kidneys need help.

They're overworked—can't get the poison filtered out of the blood.

They're getting worse every minute.

Will you help them?

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

Will cure any form of kidney trouble.

Mrs. Hattie Parker, 175 W. Crescent St., Marquette, Mich., says: "For several years I was a sufferer from kidney trouble. I had a severe pain in the small of my back and was subject to headaches. I had but little strength or energy and could hardly attend to my work. I tried a number of remedies, but did not succeed in finding relief until I procured a box of Doan's Kidney Pills. They helped me from the first and I continued taking them until I felt better in every way. I do not hesitate to recommend this valuable remedy to anyone suffering from kidney trouble."
